Augusta, ME -- (SBWIRE) -- 02/09/2021 -- NAMA Reviews, America's most recommended moving review website is pleased to announce the winners for 2021. CanWest Van Lines bags two awards this year i.e. Best Cross Border Mover and the National Quality Mover Award. The criteria upon which the awards presented were: post move quality survey scores, responses from customers, moves during the year, reviews and claims ratio. "We are very proud to present CanWest Van Lines for winning both the National Quality Award and the Best Cross Border Mover Award in the American and Canadian Sectors. They consistently surpassed their customer's expectations. They deserve it", said a spokesperson from NAMA Reviews.

NAMA Reviews claims that only 5 percent of moving companies showed consistent performance well enough to earn their Certified Seal of Approval which is of highest standard in the industry. The eligibility standards are very strict. Apart from passing the background checks, the companies are also required to meet the ethical guidelines as outlined by NAMA Reviews.
